12th July 2005

Dear Sirs.

Fareham & District Model Railway Club – Annual Exhibitions 2005

I write in respect of the above events, which this year is taking place over the weekends of 30th & 31st July and 1st & 2nd October.

I respectfully request permission to erect signs directing visitors to Fareham Community Centre during the afternoons of 29th July and 30th September 2005. The signs will be the same ones we have used in previous years and make use of the Highway's Agency's approved "Tourist Train" logo. You should already have a copy of the location plan for the signs on the A27 Eastern Way & Western Way and A32 Gosport Road and the extension plan for the A32 Wickham Road which I have previously filed with you.

I can confirm that we will be taking out public liability insurance for £5m for both events and I will produce our certificate of insurance for your inspection before the events take place.

I thank you in anticipation of your reply.

Yours faithfully,

Elliott Cowton
Chairman/Exhibition Business Co-ordinator
